

Ancient Eurasia (2019)

A large table with multiple columns listing various categories such as population groups (e.g., Dolgan, Druze, Egyptian), geographic regions (e.g., England_CA_EBA, Germany_MN), genetic clusters (e.g., Iberia_Chalcolithic, Iron_Gates_HG), and individual samples or studies (e.g., Hajji_Firuz_C, GoyetQ116-1). The table is organized into several vertical sections, each starting with a colored square icon. The text is dense and spans the entire width of the image.
